

## Academic/Career Resources

- **RSU - Academic Advocacy / Student Issues and Advocacy Coordinator**
  - When you want academic advice or need to appeal grades or standing, or findings of academic misconduct, or other issues with the University, the RSU is here to help! The Student Issues and Advocacy Coordinator can guide you through the university's policies and procedures and works to protect your rights.”
  - <http://www.rsuonline.ca/academic-advocacy>
  - [advocacy@rsuonline.ca](mailto:advocacy@rsuonline.ca)
- **RSU Online Used Book Room**
  - “Students can buy and sell textbooks at discounted prices from their peers. Find used textbooks, reference materials and course guides from students who are selling them.”
  - <http://www.rsubookroom.ca/>
- **Student Learning Support - Online Resources**
  - These vary in file types, from videos to PDFs, and cover a variety of topics such as grammar/writing and chemistry
  - <https://www.ryerson.ca/studentlearningsupport/online-resources/>
- **Student Learning Support - Academic Accommodation Support, Study Skills and Transition Support, Test Centre**
  - Academic Accommodation: “We work with students to create and implement individualized academic accommodation plans so students can more fully participate in their studies whether at the certificate, undergraduate or graduate level. We work with any student who requires academic accommodations regardless of program or course load.”
  - Includes RU Noted & Getting Accommodation Letters  
<https://www.ryerson.ca/studentlearningsupport/academic-accommodation-support/>
  - Study Skills and Transition: Helps with time management, organization, test and exam preparation etc. Appointments, peer coaches, workshops available.  
<https://www.ryerson.ca/studentlearningsupport/study-skills-and-transition-support/>
    - Supported Learning Groups: Peer lead group study session that go over many first, and second semester courses.

<https://www.ryerson.ca/studentlearningsupport/study-skills-and-transition-support/>

- RU Tutor Match: Helps find peer tutors that are providing paid work for specific courses. Can also sign up to become a tutor

<https://www.ryerson.ca/studentlearningsupport/study-skills-and-transition-support/>

- **Test Centre:** helps with scheduling makeup tests and exams, or makes accommodations for students registered for Academic Accommodation Support.

<https://www.ryerson.ca/studentlearningsupport/test-centre/>

- **Student Learning Support - English, Math, Writing**

- English support: Helps multilingual students with communication, writing, speaking, listening and reading. One on one appointment or group sessions are available.
- Math Support: Helps with math & computer science. Drop in, online appointments, and group tutoring is available.
- Writing support: Help with writing essays. Drop in and appointment options.
- <https://www.ryerson.ca/studentlearningsupport/english-language-support/>
- <https://www.ryerson.ca/studentlearningsupport/math-support/>
- <https://www.ryerson.ca/studentlearningsupport/writing-support/>

- **First Year Engineering - Academic Support**

- Provides many academic support options to first year students, such as the early intervention program which helps students that are doing poorly during the semester to meet with academic support members.

<https://www.ryerson.ca/engineering-architectural-science/current-undergraduate/first-year-engineering-office/academic-support/>

- **Transition programs**

- Helps students who failed or are missing certain courses redo them during winter and spring/summer. All years can do this.

<https://www.ryerson.ca/engineering-architectural-science/current-undergraduate/transition-program/>

- **General Academic Services and Support - Department contact information**
  - General help for students in any faculty.
  - **Office of the Ombudsperson**
  - A place for students to raise concerns which they have been unable to resolve themselves. Students can bring forward their concerns in confidence to the Ombudsperson's office with the knowledge that they will not be disclosed, unless the student provides permission for this to happen.
  - Contact them if you believe you have been treated unfairly, if you are not sure what your options are, or if you would like to discuss how a RU policy or procedure applies to your situation.
  - <https://www.ryerson.ca/ombuds/>
  
- **Career & Co-op Centre**
  - “offers tools, programs and resources to help you develop effective job search strategies, explore career possibilities and embark on your career journey”
  
- **Career Boost**
  - Source for on & off campus jobs
  
- **Academic Integrity Office**
  - Have resources on how to deal with a suspicion of academic misconduct
